THE MIAMI CONSERVAN

TIN

Volumes I and II—August, 1918 to July, 1920

G. L. Teeple, Assistant Engineer, Editor

STATE OF OHIO

The Miami Conservancy District

Board of Directors

Edward A. Deeds, President

Dayton, Ohio

Henry M. Allen

Troy, Ohio

Gordon S. Rentschler

Hamilton, Ohio

Ezra M. Kuhns, Secretary

Arthur E. Morgan

Chas. H. Paul

C. H. Locher

Oren Britt Brown

Chief Engineer

Assistant Chief Engineer

Construction Manager

Attorney

THE MIAMI CONSERVANCY BULLETIN -INDEX

Volumes I and II, August, 1918, to July, 1920

Note. The index is alphabetical, and includes both	Bunkhouses-See Cottages under Camps
articles and illustrations. Pictures, however, illustrating	Bureau of Public Roads Co-operates with Con-
an article, are only indicated by an asterisk *, following	servancy OfficialsII 14
the title of the article. Illustrations which do not ac	Dureau of Soils, Washington, D. C., Co-operates
company an article are designated by the abbreviation	
"Fig." Roman numerals designate the volume. Arabic	
numerals designate the page. The abbreviation (e) desig	
nates an editorial. With articles of a page or more, the	
length in solid columns is given.	Camps (at the Conservancy Dams) Amusements in
An Author's Index will be found at the end of the gen-	Amusements in
eral index.	Administration, Change in
Α	Cottages*1 1
A	Construction, Departure of A. D. Huff
